Exclusive luxury property with independent and spacious spaces where entertaining guests will be a pleasure. Exclusively designed on a 2,000 square metre plot, it has 5 bedrooms and 9 bathrooms and the possibility of extending to another bedroom.

The villa has unique features, all the rooms are spacious and bright and have a private bathroom. The master bedroom has a dressing room, a large terrace and an en-suite bathroom with a bathtub where you can relax while looking at the sea. The day area is the ideal place for your guests, the spacious living room has a dining area with enough capacity for a large family. This area has double height and the slats on the upper window provide light and grandeur.

In the kitchen, where we find another dining room, the views are the protagonists thanks to the glass walls that give it a pleasant warmth. Both the dining room and the kitchen open onto an impressive terrace with a solarium and relaxation area that are complemented by a large infinity pool with a jacuzzi.

The ground floor surprises us with an additional space, which can be used as an apartment with a bedroom, bathroom, dining room, terrace and porch. This villa has covered parking for 3 cars and a lift on 3 floors, offering great comfort and functionality. In addition, there are additional spaces where you can design play or study areas, offices or even an extra room.

If you need unique spaces for all members of the family, you have found your new home at the Residential Resort Cumbre del Sol.
