Description

This charming project is located in a quiet urbanization but well connected to the center of Calpe, with all its services and amenities just 10 minutes away by car.

With a perfect South-West orientation and stunning panoramic views of the Bernia mountain range, this property will offer a place of peace and tranquility to its new tenants.

This magnificent property offers three double bedrooms in suite format, one of them located on the ground floor, and the other two on the upper floor. A spacious and bright living-dining room connected to a modern open kitchen, gives us access through huge windows to the infinity pool area where we will enjoy a space to eat and another area to relax and enjoy the stunning views and the magnificent weather in Calpe.

In the basement of the house, accessible from inside the house as well as from the garden, we find the parking, the machine room and an independent room that can be used as a storage room.

As it is a pre-project, the client can customize together with the architect any detail and finish that he deems appropriate.

Project plans available

Upon entering the ground floor, you will find a guest toilet, the first of the three Suites, and an impressive living room with an open kitchen, with access to the outdoor area where you will enjoy a magnificent infinity pool, an area for outdoor dining and a space to relax and enjoy the magnificent views of the Bernia.

Going up the stairs from the ground floor, we access a hall that will give us access to the two remaining suites in the house: the first of them is the master suite with a bathroom, dressing area and access to a private terrace where you can enjoy the impressive views that the house offers. And the second suite, with access to a balcony and also with dreamlike views.

Through the hall on the ground floor or directly from the garden, you can access the basement of the house where we find the parking for one vehicle, the machine room of the house and a separate room that can be used as a storage room.
