LUXURY MODERN VILLA PROJECT - JAVEA - COSTA BLANCA - SPAIN
WITH SEA AND MOUNTAIN VIEWS

JÁVEA / XÀBIA , CANSALADES

With open panoramic views of the sea and mountains, this elegant design brings to life this unique villa in our residential area of Monte Olimpo. With panoramic mountain and sea views in a prime location in Javea, you can enjoy living in this architectural creation just a few minutes from the beach, in one of the most modern urbanizations in Javea. The unique architecture and curves are designed for the person looking for something special combined with elegance. The architectural plans include an open-plan living room on the ground floor, an equipped open-plan kitchen, a guest bathroom and a bedroom with en-suite bathroom. A laundry room and pantry complete the ground floor.

On the upper floor is the master suite enjoying the most privileged view of this villa, as well as the master bathroom, a large built-in wardrobe and access to the terrace. On this floor there are two other bedrooms with built-in wardrobes and private bathrooms

With its free and organic lines, its large windows, the exterior decoration impresses with its generosity; spacious terraces, a swimming pool with spectacular curves, as well as the sinuous lines extend to the sunny terraces, making it the ideal villa to enjoy the Spanish sun on the Costa Blanca.
